

Identity

The Challenge

To create a simple, elegant logo and identity for a screenwriter, that stands out without being over-the-top.

The Solution

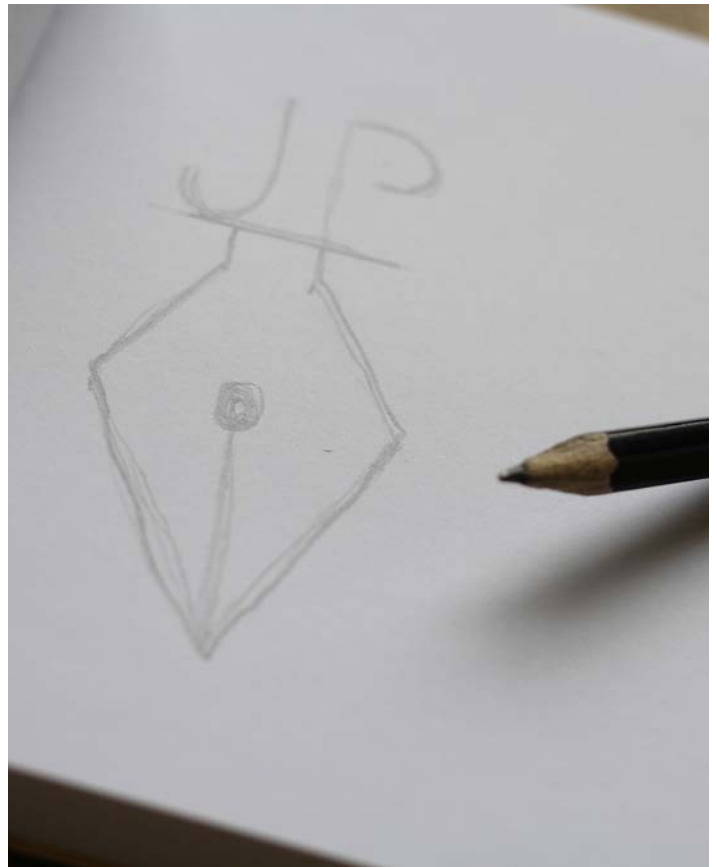

A minimalist logo which subtly incorporates the screenwriter's initials into the shape of a pen, creating a simple, memorable mark.

Feedback

"Working with Khari was an absolute delight. If I had to describe him in three words, it'd be creative, patient, and understanding. He knew exactly what I wanted, and it was love at first design. I'm very satisfied with my chic business cards, and can't wait to hand them out!"
